

2022 AuDIITA WORKSHOP

Dignity, Inclusion, Identity, Trust & Agency

28 SEPT 2022 | MELBOURNE CONNECT, MELBOURNE, AUSTRALIA

[University of Melbourne](#)

700 Swanston St, Carlton VIC 3053, Australia

[Visit the event page here](#)

The IEEE Standards Association (IEEE-SA) is pleased to present its first AuDIITA - An Open Space Workshop in Melbourne, Australia. Building on previous open space workshop's in India and Austria, AuDIITA is focused to develop an outcome-based community that will continue to address the challenges and provide solutions **Towards a Trusted, Inclusive Online World**. AuDIITA utilizes an "attendee-based participatory experience" to work on solutions needed in the field of technology inclusion today. Rather than having a pre-set agenda and canned presentations, Instead, attendees may nominate topics of interest for the agenda, which will then form a multi-track agenda.

This forum is being organized by '[Dignity, Inclusion, Identity, Trust and Agency](#)' (DIITA), an [IEEE Standards Association](#) Industry Connections program looking at addressing barriers to accessing beneficial technologies.

Become A Sponsor and Support the Community

As you have experienced at many different workshops and events, some of the best interactions occur during a meal or at a break. Support from underwriters (sponsors) is what makes the networking and educational experience highly valuable while keeping event fees affordable, even with all meals included for registrants. By underwriting this program, you are making it possible for those who want to attend, participate and contribute a reality.

Benefits of Supporting this Event

First and foremost: you will have our gratitude and that of the workshop attendees.

In addition, you receive:

- ✓ Recognition of your company name and/or logo on the general workshop signage and the specific signage around the item(s) you choose to sponsor.
- ✓ Recognition as a sponsor on the AuDIITA Workshop website with your logo, company URL and social media links.
- ✓ Acknowledgement as a sponsor on the workshop program/agenda handout.
- ✓ Two (3) full-event registration tickets for sponsorships of \$1000 – includes full access to all event-hosted meals, sessions, and other activities.
- ✓ One (1) full-event registration ticket for sponsorships of \$500 – includes full access to all event-hosted meals, sessions, and other activities.

PLUS...

The AuDIITA Workshop is an Open Space Tech Workshop. Therefore, anyone who wants to speak is welcome to suggest and run a session on the spot during the event.
