

2023 InDIITA WORKSHOP

Dignity, Inclusion, Identity, Trust & Agency

6 July | Bangalore, India | ieeesa.io/indiita-2023

The IEEE Standards Association (IEEE-SA) is pleased to present its fourth InDIITA Workshop in Bangalore, India. Building on previous workshop's success, the goal of the 2023 workshop is to develop an outcome-based community that will continue to address the following challenges:

- Securing affordable accessibility for disconnected communities within India
- Building a trust framework for protecting the digital persona
- Enabling the digital citizen's right to manage (agency) who, when, what and how they want to transact with other entities.
- Read the [2018 InDIITA Book of Proceedings](#) for details on past outcomes.

Help Support the Community

As you may have experienced, some of the best interactions occur during a meal or at a break. Support from sponsors is what makes the networking and educational experience highly valuable, while keeping event fees affordable for registrants. By funding this program, you are making it possible for attendees to participate and contribute.

In addition, sponsors receive:

- Recognition of your company name and/or logo on the general workshop signage and specific signage around your sponsorship opportunity.
- Listed as a sponsor on the InDIITA Workshop website with your logo.
- Acknowledgement in the workshop program/agenda handout.
- Two (2) full-event registration tickets for sponsorships of \$1000 or more
- One (1) full-event registration ticket for sponsorships up to \$900

PLUS...

The InDIITA Workshop is an Open Space Tech Workshop and anyone can suggest and run a session on the spot during the event. As a sponsor, you can help drive topics, conversations, and engagement with the attendees.

Special Giveback Sponsor Opportunity

Underwrite NGO Participation US\$3,000

This is a special Sponsorship to provide registration for accredited and key representatives from non-government organizations (NGO's) to participate in and contribute to these important conversations. As they are working out in the field, their perspective and ground level experience and knowledge are invaluable and insure an inclusive and comprehensive approach to solutions discussed. Opportunity includes:

- 10 complimentary registrations at a maximum of two (2) registrants per NGO
- Special recognition as a "Giveback" sponsor
- Sponsor would be provided a list of beneficiaries (attendee name, title, and NGO name)

Terms:

The pricing contained within this document is at net rate. Payment will be required at the time of signing the sponsorship agreement.
