## 1. What is the children’s related product or service your work focuses on?\*

Please include the name of the product or service, and any relevant links in case this is live.

## 2. What examples might you be able to give example(s) of related to the selected children’s product/service?\*

Protecting personal data & information

Enacting the best interests of the child & community

Enabling parental consent & controls

Centering around equity, accessibility & non-discrimination

Limiting data collection

Other

Implementing age-appropriate application

Please include a screenshot (.jpg or .png) attachment that illustrates the example you listed above when you email this form.

## 3. Would you be able to share some information from your work in this case study with the broader public? Note: You will also need to sign a disclosure form.\*

Yes

No

I will need to keep some information confidential, but I am able to share other information about a process and principle we worked on.
