

XR IN THE CLASSROOM

14 October 2021 | 11:30 AM ET | 17:30 CET

VICTORIA COPELAND

Victoria is a Ph.D candidate at UCLA and a tech policy analyst at Upturn. Her research focuses on the ethics of data and technology use in decision-making processes, specifically in the provision of social and child welfare programs. Victoria holds a Master of Social Welfare from UCLA and BA in Psychology from UNLV.
